BAND STORY

"Genuine music lover...if it sounds good its in my ears. I compete in small time vocal contests that i do for fun to curb my appetite for something more. Sometimes sing with friends of mine that have gigs going on. Im getting in to writing more material and picking up the guitar, still have a ways to go to be any good at it but Im not worried. We've all gotta start somewhere, it isn't about the destination...it's the journey that shapes us."
